BLI - Banque de Luxembourg Investments ("BLI") draws the attention of any recipient of this document on the need to use with the utmost caution all information relating to a Financial Product, in particular that relating to the performance of such Financial Product:

- Where applicable, any **scenarios relating to future performance** in this document are an estimate of such future performance based on evidence from the past on how the value of this Financial Product varies and/or current market conditions. They are not an **exact indicator** and what you will get will vary depending on how the market performs and how long you keep the Financial Product.
- Conversely, the **past performance of the Financial Product does not predict its future returns**.

BLI does not assume any responsibility for the future performance of these Financial Products and will not be liable for this information or for any decision that an investor may make based on this information. Interested persons should ensure that they understand all the risks inherent in their investment decisions and should refrain from investing until they have carefully assessed, in collaboration with their own advisors, the suitability of their investments to their specific financial situation, in particular with regard to legal, tax and accounting aspects.

They must, moreover, take into account all the characteristics and objectives of the Financial Product, in particular where it refers to sustainability aspects in accordance with Regulation (EU) 2019/2088 of the European Parliament and of the Council of 27 November 2019 on sustainability reporting in the financial services sector.

Subscriptions are only permitted on the basis of the current prospectus, the latest annual or semi-annual report and the Key Investor Information Document (KIID) (the "**Documents**"). The Documents are available free of charge from BLI at any time. All of the Documents, including the sustainability information, are available on BLI's website at [www.bli.lu](http://www.bli.lu).
